For your garden with the unique
assembly and storage conception

A modern outdoor terrace featuring a large L-shaped sofa with light grey cushions and a dark brown base, positioned on a wooden deck next to a swimming pool. A matching coffee table is in front of the sofa. The terrace is adjacent to a building with large glass windows, and a snow-capped mountain is visible in the background under a clear blue sky. The scene is framed by white corner brackets in the top-left and bottom-right corners.

Ideal solution for the terraces
and other open air locations

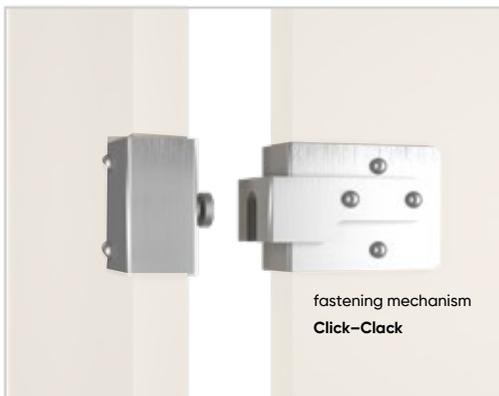

bxl

Assembly with no screw nail takes only **5 minutes!**

Modular system

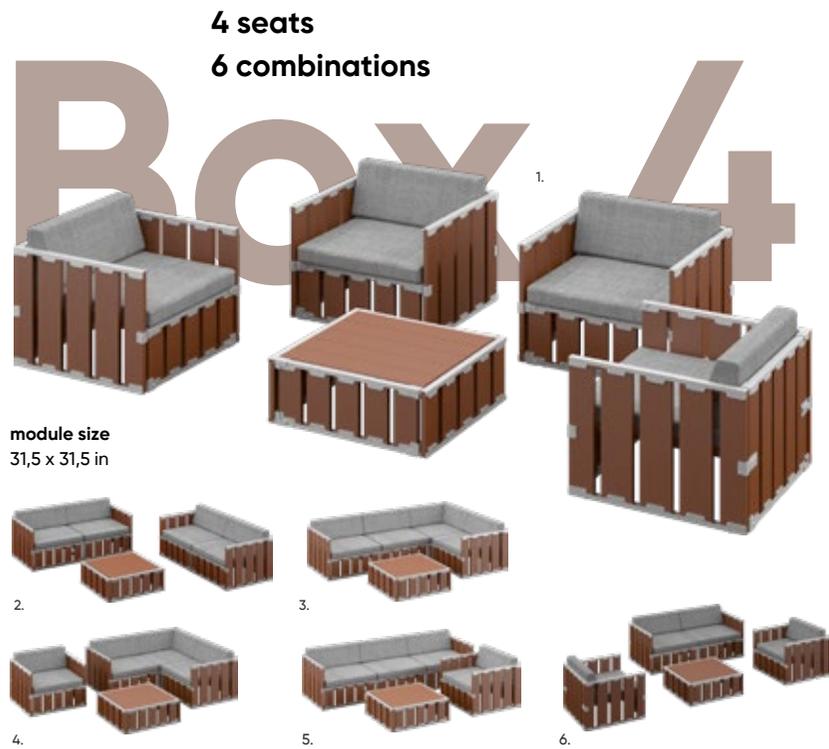

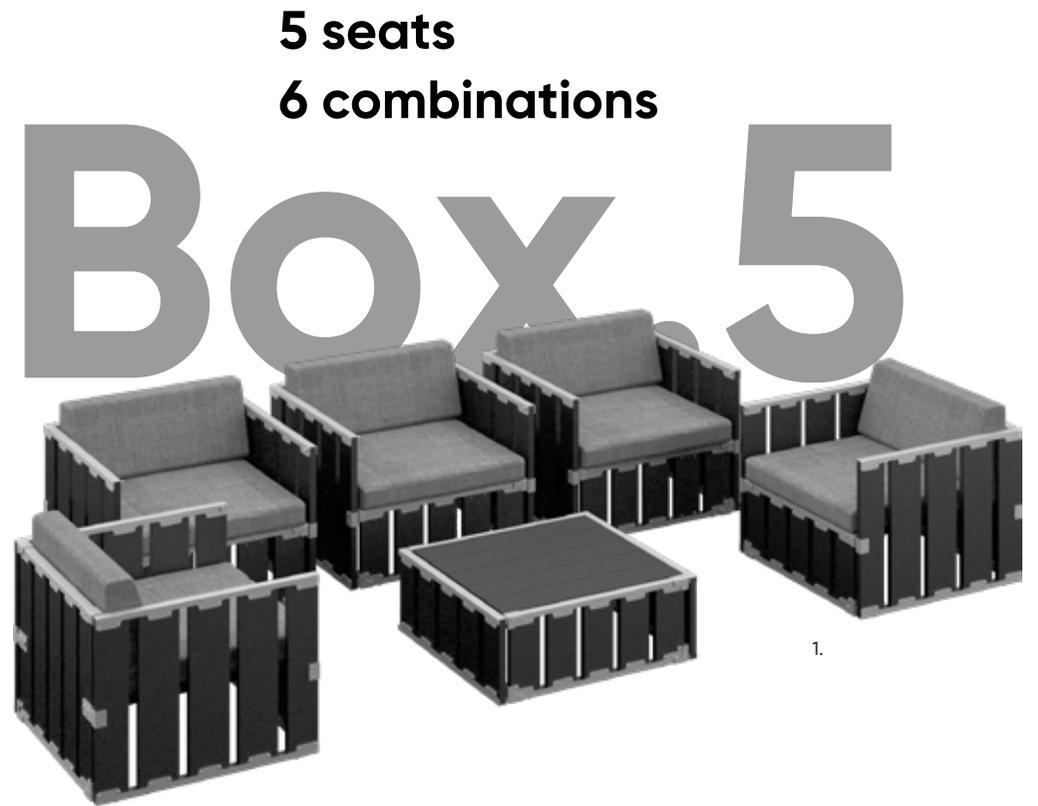

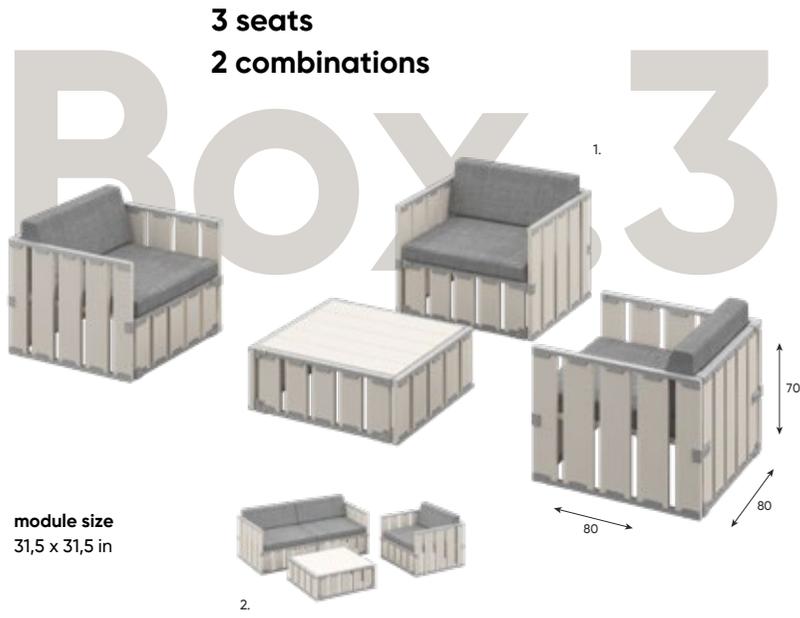

The using of BXL concept allows you to get the individual set for your event. The panels are made of solid wood, polished with PWM Sikkens for the environmental protection. The elements of mount system are acierated, that guarantees the longevity of the furniture even in the severe weather conditions.

- The variety of configurations is from 3 up to 8
- The capacity of modular block is up to 10 persons
- The volume of the box setup is 0.7 m³
- Easy storage and transport
- The wide range of branding abilities

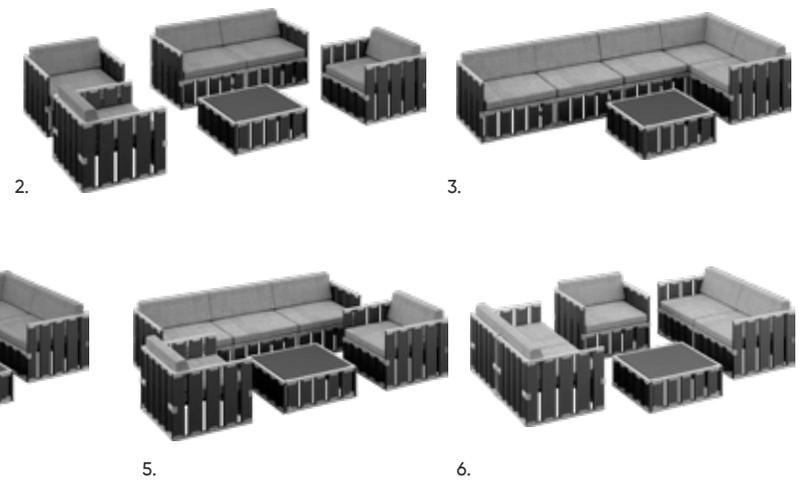

Thanks to the **Click-Clack** fastening mechanism, you can combine the exterior view of the modules endlessly with no tool!
